

Digital Angle Meter

Item Code	Description of Product	Packaging	Body Size (mm)	Weight	Packing Unit	JAN Code
76447	Mini with Magnet 		56×56×30	189g	1	4 960910 764477
76549	Digital Angle Meter 		60×151×33	288g	1	4 960910 765498
76486	Digital Angle Meter with Magnet with Magnet 					4 960910 764866

Features

- Convenient for measuring from a reference point by setting the point from any angle
- Hold function allows measurement when display cannot be seen.
- With mini magnet
 - Strong neodymium magnet on three sides
 - Switches indication for angle (°) or gradient (%)

Use

- For work installing machines or equipment.

76447 Mini with Magnet

- Handy in tight spaces where Digital Level cannot be used.

76549 Digital Angle Meter

Specifications

	76447	76549・76486
Range	90°x 4 directions (360°)	
Minimum Indication	Angle: 0.1° Inclination: 0.1%	Angle: 0.1°
Precision	±0.2°(±3.5mm/m)	0.90°: ±0.1°(±1.75mm/m) Other degrees: ±0.2°(±3.5mm/m)
Use temperature	0~40℃	5~50℃
Power Source	1x 9V Battery	1x Lithium Battery CR2032
	※Battery included is for monitoring use only and may not last as long.	
Auto Power Off	5 minutes	6 minutes
Material	Body: Zinc Alloy Panel: Polycarbonate resin	Body: ABS resin, Aluminum
Accessory	—	Holder case
